Sure. I'll also run it by some other folks here in Erica's absence.

No performances yet, but they're coming for the holidays. It feels good to sing with others again. Can't wait to do it on the concert stage in front of an audience.

Hi Mario, I hope all is well and you're getting in some performances!

If you have time, would you mind reviewing the 7(d) memo I drafted for our action on ND's WQS? Erin Perkins made a few revisions, which I'm working on, and she suggested I run it by Erica for her review. I see Erica's out until next week, so would you be willing to review it when you have time?

Thanks for your consideration.
